VOL. XXII. NO. 159. CHICAGO, WEDNESDAY, JUNE 21, 1916. PRICE 5 CENTS

STILL HEAVY AT LATONIA

FOLKS HAVE BECOME USED TO IT AND TURN OUT LIBERALLY ANYHOW.

Bars and Stars Furnishes a Surprise When He Wins the Fort Mitchell Handicap—Booker Bill Disqualified.

Cincinnati, O., June 20.—Bars and Stars, owned by E. B. Elkins, showed sudden improvement in scoring over some smart sprinters that contested the Fort Mitchell Handicap of $800 at three-quarters, which featured the program of seven races at Latonia this afternoon. He showed speed galore today in contrast to his showing in his last race and, under careful riding, just lasted to beat Vogue, which came like a flash through the last eighth after being far back. Roscoe Goose was hard urged and headed the others, with Leo Skolny fourth and Converse and Chalmers just behind. The finish was one of the most exciting witnessed here.

Threatening weather again prevailed, but racegoers in these parts have become accustomed to it and it did not prevent another big crowd from being on hand. Track conditions were of the most difficult sort and it required an extra sturdy racer to keep from tiring in the going.

The running of the second race brought with it the first disqualification of this season in Kentucky. Booker Bill was the offender to be displaced, after finishing second to Lady Worthington. He was disqualified because of subjecting Queen Apple to interference when the pair rounded the stretch turn. The interference had considerable bearing on the result, for Queen Apple at the time of interference was going fast and might have been the winner. Lady Worthington slipped through next to the inner rail and beat Booker Bill by a head, the same margin separating the latter from Queen Apple. Booker Bill's displacement gave second place to Queen Apple and Harwood was moved into third place.

Jockey F. Murphy was suspended for five days for failure to keep Booker Bill straight.

Favorites started off well when Clare and Lady Worthington accounted for the opening dashes, but the failure of Jack Wiggins and Hot Toddy in the third and Leo Skolny in the fourth proved costly to the talent.

Among those intending to go to Chicago at the close of the Latonia meeting to engage in the Hawthorne meeting are: Williams Bros, with 14 horses; J. Umensetter, 6; J. M. Henry, 6; H. Fink, 4; and J. B. Goodman. Numerous others who will ship from here to Chicago will probably bring the number of horses from this locality close to 400.

C. R. Anderson bought Samuel R. Meyer this morning from Adair & Baker. The horse is said to have come out of his race yesterday in a bad way and will have to be rested for some time. His purchase price is said to have been $300.

W. F. Schulte has at his farm near Louisville a half-brother to Dodge and also a half-brother to Franklin. Both were sired by King Olympian.

John W. Schorr has bought, from J. B. Viley, the yearling bay colt by Ferole—Domino Whist.

TUMBLER FIRST IN THE YOUTHFUL STAKES.

Slumber II. Takes the Montague Handicap at Jamaica with Ease—Track Gossip.

New York, June 20.—The Youthful Stakes for two-year-olds, served as today's chief attraction at Jamaica and it gave race-goers another opportunity to witness Harry Payne Whitney's good colt Tumbler in action. The big colt began well, but was sharply cut off right after the start and T. McTaggart had to take him back. He was soon racing up to the leaders, however, McTaggart taking advantage of an opening next to the rail to drive him through, and he was soon in front. Although inclined to swerve in the stretch, under nursing he easily maintained his advantage to win with much ease. Barring his seeming greeness, which he seems to have difficulty in overcoming, he stands out over most of the two-year-olds in the east. The Youthful was worth $1,925 to the winner.

The Montague, a handicap at one mile and a sixteenth, resulted in victory for the heavily-backed Slumber II., which was also ridden by T. McTaggart. The Talbott gelding went into an early lead, which he maintained to the end. In turning for home, however, he forced Blue Thistle wide, then drew away to win easily. After a short deliberation the stewards allowed the result to stand, as the winner was clearly best and the going being better in the middle portion of the course his rider naturally selected it.

Sam McMeekin, another odds-on choice, won the fifth after Sir William Johnson, the early pacemaker, retired in the stretch.

Woodward was excused from the final race, on account of having a slight attack of colic.

Harry La Montagne has purchased from the Oneck Stable the speedy four-year-old Distant Shore for a reported price of $4,500.

Gerard F. Stuvesant, one of the oldest members of the Coney Island Jockey Club, was a visitor at the races today, it being his first appearance in over ten years.

Charles F. Grainger, president of the New Louisville Jockey Club, was also a visitor.

H. Morrison has bought from E. H. Garrison a two-year-old colt by Dr. Boots.

A. H. Vivell was a visitor today from the Canadian half-mile track circuit in the interest of those meetings.

An x-ray examination showed that jockey Q. Preece, who was injured by being kicked by Fenmouse at the post yesterday while astride Etruscan, had suffered a fracture of one of his legs in three places.

William Sheedy is in St. Mary's hospital in Jamaica following a slight operation.

John W. Pangle is an arrival from Canada and will doubtless secure some horses here before leaving.

The three-year-old George Smith, winner of the Kentucky Derby and second horse in the Latonia Derby, has arrived at Belmont Park from Latonia, seemingly none the worse for his western trip.

SEVERAL RULINGS AT MAISONNEUVE.

Montreal, Que., June 20.—Judge Nathanson, at the close of the Maisonneuve meeting today, issued several rulings.

Jockey J. Daniels was suspended for rough riding and received fourteen additional days for impertinence when spoken to about it.

Jockey C. Grand was fined $50 for rough riding with Borel in the third race on Montreal.

R. V. and L. Haymaker were denied the privilege of entering horses at the track for refusing to fulfill their engagement with Lola, June 19.

A. W. James was suspended for one year for failing to pay for the horse Eddie Mott, after running him up in a selling race on June 16. He bid Eddie Mott up from $200 to $300.

Judge Nathanson will leave here Thursday morning for Latonia in the interest of the coming meeting at Hawthorne.

LOUISIANA'S PROPOSED RACING LAW.

Provides for a State Racing Commission and Legalizes Pari-Mutuels.

A bill providing a state racing commission to govern racing in the State of Louisiana is now pending before the legislature of that state. Its enactment into law is a matter of doubt, but it may be done. It is a comprehensive measure and in full its provisions are as follows:

AN ACT

To create a State Racing Commission, to define its powers, and to fix its compensation, to limit the months of the year, the days of the week and the hours of the day, in which public racing for prizes or purses may be held; to define what character of racing shall be a nuisance and a misdemeanor; to provide under what circumstances and for what period of time State Fair Associations, Fraternal or Benevolent Associations may conduct race meetings; to prohibit the operation of certain tracks and of all racing, except between the noon hour and six p. m.; to prohibit Sunday racing; to levy a state tax upon racing tracks; to repeal Act 233 of 1902; to provide who may be employed by the Racing Commission hereby created; to prohibit the attendance of minors unaccompanied by their parents or guardians at public races; to provide penalties and punishment for the violation of the provisions of this Act; and to partially repeal and to amend Act 57 of 1908.

Section 1. Be it enacted, by the General Assembly of the State of Louisiana, That any corporation formed for the purpose of racing and breeding or improving the breed of horses and conducting races and contests of speed, shall have the power and right, subject to the provisions of this act to hold one or more running race meetings in each year, and hold, maintain and conduct running races at such meetings. At such meetings, the corporation or the owners of the horses engaged in such races, or others who are not participants in the racing may contribute purses, prizes, premiums or stakes to be contested for; but no person or persons other than the owners of a horse or horses contesting in a race shall have any pecuniary interest in a purse, prize, premium or stake contested for in such race, or be entitled to receive any portion thereof after such race shall have been finished; and the whole of such purse, prize, premium or stake shall be allotted in accordance with the terms and conditions of such race. Such meetings shall not be held except during the period extending from the first day of December to the fifteenth day of March, inclusive, in each year. No running races are authorized or shall be permitted except during the period aforesaid and except between noon and six p. m.

Section 2. Be it further enacted, etc., That a State Racing Commission is hereby created, to consist of three (3) persons to be appointed by the Governor, none of whom shall own stock in any corporation formed for racing or breeding purposes, and no two of whom shall be members of the same racing association, and all of whom must be duly qualified electors of this state and have been citizens of this state at least ten (10) years preceding their appointment. They shall be appointed for three (3) years and shall be removable by the governor, in his discretion. The governor shall, immediately upon the promulgation of this Act, appoint three (3) commissioners with the above qualifications, one of whom shall serve for one year from the date of his appointment, one for two years and one for three years, and thereafter each appointee will serve for three years. The chairman of said commission shall be paid a salary of twenty-five hundred dollars ($2,500) per annum, and the other two commissioners two thousand dollars ($2,000) each per annum, out of the revenues received by the commission. Said commission shall have full power and authority to contract, sue and be sued, and to do everything that may be necessary for the conduct of its business. Such commission shall elect a secretary, who shall serve during its pleasure, who shall perform all such duties as the commission may prescribe who shall give a bond in the sum of twenty-five thousand dollars ($25,000), for the full and faithful compliance of his duties as such secretary, with a surety company qualified to do business in this state; the premium on said bond to be taxed as part of the expenses of the commission. The said secretary shall be paid a salary, to be fixed by the commission, at a rate not exceeding twenty-five hundred dollars ($2,500) per annum. Said commission shall, biennially, make a full report to the general assembly of its proceedings for the year period ending with the first day of April preceding the meeting of the general assembly, and shall embody therein such suggestions and recommendations as it may deem desirable, if any.

Section 3. Be it further enacted, etc., That said commission shall have the power to prescribe the rules, regulations and conditions under which running races shall be conducted in this state, and no such races shall be conducted except by a corporation or association duly licensed by said commission, as herein provided. Any corporation or association desiring to conduct such racing may, annually, apply to the state racing commission for a license so to do. If in the judgment of the commission, a proper case for the issuance of such license is shown, it may grant the same for a term of one year; and every such license shall contain a condition that all races or race meetings conducted thereunder shall be subject to the rules, regulations and conditions from time to time prescribed by the commission for any violation thereof, or whenever the issuance of such license shall be deemed by the commission not conducive to the interest of legitimate racing. But if said license is refused or revoked, said commission shall publicly state its reasons for so doing, and said reasons shall be written in full in the minute book of said commission, which shall, at all times, be subject to inspection upon application of anyone desiring so to do; said finding of said commission shall be subject to the review of a court of competent jurisdiction. Provided, that a refusal of the commission to grant any racing association a license, or to assign a racing association at least forty days in each year, if desired for racing by such association, and the decision of such commission revoking any license of any association shall be subject to review by the courts of the state.

Section 4. Be it further enacted, etc., That every running race meeting at which racing shall be permitted for any stake, purse or reward, except as allowed by this act, is hereby declared to be a public nuisance, and every person acting or aiding therein shall be deemed guilty of a misdemeanor and punished by a fine of not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000) for each day of such meeting or racing; and in addition thereto, in a suit brought for that purpose by the State Racing Commission in the District Court of the Parish where it may be proposed to conduct such unauthorized racing, an injunction may be obtained against the same.

Section 5. Be it further enacted, etc., That this act shall not apply to races conducted by the State Parish Fair Associations holding not more than one meeting annually, and for a period not exceeding six days for such meeting, and for races at festivals, picnics or fairs, given by and for the benefit of any fraternal or benevolent organization conducting races not more than once annually, and for a period not exceeding two days.

Section 6. Be it further enacted, etc., That the admission of minors to a licensed track, unaccompanied by parents or guardians, shall be suffi-

Went to post at 2:36. At post 2 minutes. Start good and slow. Won easily; second and third driving. SKY set the early pace under restraint in the early running and drew away easily in the homestretch to win easing up. FRIENDLESS was always the closest contender and made a game effort while rounding the last turn, but could never get up. MELIORA began slowly and was shuffled back on the last turn, but closed up gamely and passed WIDE EYES in the final sixteenth. KING BAGGOT was high in flesh and ran green. MASTER McGRATH is a good looker that needs racing education.

MUDDY BUT CHEERFUL AT OTTAWA.

Queen of the Sea Wins in a Head-and-Head Finish with Lynette and Bondage.

Ottawa, Ont., June 20.—Surprises were the order at Connaught Park this afternoon. Track conditions were still bad, but despite this, some interesting sport was witnessed. The feature race furnished a stirring contest in which the first three passed the winning mark heads and necks apart. The winner turned up in Queen of the Sea, which beat Lynette a head, Bondage, the favorite, was third, a neck away. The latter was on the outside for the entire race. He finished with a rush, but could not quite make it. With a stronger finisher than Mountain up, he undoubtedly would have won.

Viley, the beaten favorite in the first race, ran a sixth further than any horse in the race. Kopplemman kept him near the outside rail to the eighth post in the homestretch, where he swerved over to the inside and finished in the deep going.

After Idle Michael's victory in the steeplechase he went back to his old owner, W. L. Maupin. William Garth purchased the horse from William Stormont at private sale for Mr. Maupin after the race.

The Canadian branch of the Thoroughbred Horse Association held a meeting here last night and decided to make an effort to interest the Connaught Park Jockey Club in a race to be run on the closing day of the meeting in which the purse will be donated to the patriotic fund. The horsemen propose entering the best material at the track in the race so as to make it a strong attraction. The matter has been taken under advisement by the club. The horsemen at their meeting decided to send William Walker to Montreal on Thursday for a conference with the owners of the half-mile tracks in an effort to adjust the differences between the track owners and the horsemen.

It has been decided to insist on $400 purses. It is said that the only track that is holding out against the increased purses is Delorimier Park. S. N. Holman, manager of the King Edward Park course, has already notified the horsemen that no purse of less than $400 will be given at his meeting.

William Garth returned yesterday from Montreal, where he went to look over his two-year-old, Dr. Nelson, that was so badly cut down in his last start at Blue Bonnets. He is pleased with the way the colt is doing and now has hopes that he will recover from his injuries, which it was at one time feared would result fatally.

Jockey J. P. Smyth, who disappeared from Ottawa a couple of days ago, has turned up in Montreal. The lad found the task of keeping down to weight a trying one and it may be that he has decided to retire from the saddle.

Among today's visitors were Lieutenant and Mrs. J. K. L. Ross, in whose colors Damrosch and Uncle Bryn race.

Several stables were shipped to Hamilton this afternoon, among them those of H. G. Bedwell, J. O. Byrne, E. Murray and J. F. Richardson.

OOTS' IMPORTED COLTS GO TO LATONIA.

Lexington, Ky., June 20.—Howard Oots, in addition to six he shipped to Canada today, sent two two-year-olds to Latonia to be raced by W. Martin. They are Leixlip, chestnut colt by Fogleman—Deuce of Clubs, and a bay colt by Thrush—Luscinia, by St. Simon.

CURRENT NOTES OF THE TURF.

J. E. Davis is reported to have paid $3,500 for Brooks.

Roamer is training in a highly satisfactory fashion for the Brooklyn Handicap.

Charles P. Taft entertained a party of guests in the Latonia clubhouse on Derby day.

Plans for the fall meeting at Essex Park, Hot Springs, November 30 to December 23, are going forward.

Racing in Ireland, which was stopped owing to the Sinn Fein rebellion, will be resumed throughout the Emerald Isle July 1.

The seventeen French-bred yearlings belonging to Mrs. H. B. Duryea, which have been at the Haggin barn at Sheepshead Bay, have been shipped to Saratoga.

F. K. Sturgis, vice-chairman of the Jockey Club, has presented to August Belmont a fine portrait of Rock Sand, which will be hung in the board room of the Jockey Club, New York.

James P. Edwards of Louisville, Ky., has recently purchased Lady Trebla, br. m, by Albert—Lady Longstreet II., by Longfellow. She has been mated with Thomas M. Murphy's Voter stallion, Boots and Saddle.

Mrs. Nettie Arlington, who is getting together a racing stable to be trained by former jockey Ed Garrison, has registered her racing colors. They are white with blue swastikas, blue sleeves and red cap.

The substitute for the famous City and Suburban, the Suburban Handicap of $5,000, was run Saturday at Lingfield and won by Lord Carnarvon's Julian, ridden by Smyth. J. Buchanan's Gay Lally, with Fox in the saddle, was second, and Achtoi, owned by Mortimer Singer, third, with Trigg up. Fifteen entries were received for this important handicap, and only eleven horses went to the post. The betting was: Julian 4 to 1, Gay Lally 7 to 4, and Achtoi 8 to 1.

The volume of betting at Latonia Saturday went far above that of last year, despite the handicaps. A total of $286,000 was bet, which is considerably under the amount for Derby day at Louisville. On one race no show betting was to be had, and in another race 5,000 persons were huddled in the grandstand and clubhouse unable to get to the betting ring on account of the downpour. In the betting ring it became so congested at times that it was impossible to get to the machines. At that the betting was nearly $25,000 in excess of that of Derby day of 1915. About $61,000 was wagared on the Derby this year, as against $49,000 last year.

The Sims Anti-betting bill received another setback in the House of Representatives at Washington on Friday last when objection to calling it up on the calendar was made by Republican Leader Mann. The bill can come up only through a call of the committees, and Chairman Adamson, of the Interstate and Foreign Commerce committee, which reported the bill, is represented as being unfavorable to it. Consideration of the bill was blocked earlier in the week by Representative Arthur B. Rouse of Covington, Ky. It is fostered by the Men's Federation of Louisville, and seeks to prevent interstate transmission of betting information on horse races.

Dodge, winner of the Latonia Derby, is a bay colt by Jim Gaffney—Flora Willoughby, and was bred by W. F. Schulte at his farm, near Louisville, Ky. As a yearling he was purchased by Lon Jones, together with two other yearlings, for $2,500. Jones, a few months later, sold the three colts to J. S. Ward for $6,000. William H. Shelley, clerk of the scales at Latonia, purchased the colts from Schulte for Jones. Dodge ran fourth in the Kentucky Derby. Last year the colt started seventeen times and won ten races, was second four times and once third and won $11,355. J. S. Ward, part owner and trainer of Dodge, is a Louisville man and has lately purchased a beautiful home in the city. He has been training horses for more than a score of years and was always ranked as one of the best western trainers. His partner, Mr. A. Weber, is a wealthy butcher in Kansas City. Frank Murphy, the jockey who rode Dodge to victory Saturday, was developed as a jockey by Thomas J. Brown. He is a product of Cincinnati. Murphy has been riding for four years.

HAWTHORNE BEING ACTIVELY PREPARED.

Now that the Latonia Derby has passed into the realm of things accomplished, the Illinois Jockey Club's American Derby stands out by itself as the richest stake race for three-year-olds yet to be decided this year. It is this feature of the race that must more and more impress owners as the time for closing entries draws near and should induce the nomination of the majority of the good three-year-olds of the year.

Active preparations for the meeting are in progress at Hawthorne. Recent rains have interfered considerably with work, but much has been done notwithstanding this impediment. The entire floor in the front part of the grandstand, the press stand included, has been repaired and is now in good condition. Chairs will be received before this week closes and will be placed in their proper positions in good time. New boxes will be put in forthwith.

The track has been well harrowed, but so far has been too soft for dragging. A few days of the warm weather now due will suffice to permit its being worked into its best possible condition.

Two of the largest stables had been reroofed last Sunday and a big force of men is proceeding with necessary repairs on the others. The plant in general is beginning to present a sightly condition of preparedness. Shortly it will approximate the Hawthorne of a dozen years back and be swarming with thoroughbreds in preparation for the racing of next month.
